

Leica Rugby 610 and 680 Laser Levels

Your reliable partner on-site

Leica Rugby lasers are the toughest rotating lasers suitable for all construction applications. Level, align and square much quicker than ever before, eliminating costly errors and downtime.

Leica Rugby 610 Rotating Laser Level

- Simple and reliable, one button laser where no mistakes are possible
- Superb performance with all Leica Rod Eye receivers

Leica Rugby 680 Rotating Laser Level

- Dial-in grade in single or dual axis, easy and fast at the touch of a button
- The unique Smart Slope function continuously monitors time and temperature changes to ensure accurate performance over the course of the day
